What questions for future shoulder osteoarthritis research matter the MOST to you?

You've told us your questions for future research. Now take our **second survey** to choose which ones are **most important!**

What does it involve?

- A **short survey**, approx. **10-15 min** of your time.
- **Choosing** the **questions you think are important,** and **not important.**
- Sharing a bit about yourself – your age, gender.

To get involved, you must:

- **Live with, or care for someone with shoulder osteoarthritis**
- **be a healthcare professional providing shoulder osteoarthritis healthcare**
- **Be over 18 years old**
- **Live in Australia or New Zealand**

Scan the QR code or visit www.tinyurl.com/soarpsp2 to do the survey.
